registerofbehaviourists& bachanimalpractitioners

The register of behaviourists and bach animal practitioners is compiled of individuals who have completed the requirements of the relevant course. On completion an individual has the option to work in association with the NAC. The requirements for behaviourists to work alongside the NAC is to be registered working under our supervision (including attendance of annual continuing professional development). As a Bach Practitioner individuals register with the Bach Centre and work under the supervision of the NAC.

Where contact details have been provided the behaviourists and practitioners are working alongside the NAC and have agreed for us to publish their details as they are working as professionals in the marketplace. The remainder of the list have passed all requirements of of the relevant course.
